

Engaging Cross Borders: Perspectives from Ireland and Europe

20th International Conference of the Centre for Irish-German Studies

University of Limerick, Ireland

16-17 November 2023

Organisation: The Centre for Irish-German Studies, University of Limerick in coordination with the Centre for Public Administration, Ulster University, the Wilfried Martens Centre for European Studies and the Konrad-Adenauer-Stiftung UK & Ireland office.

This international conference is the latest in a series devised and organised jointly by the University of Limerick and Ulster University, and developed in partnership with the support of the Konrad-Adenauer-Stiftung. It builds on the success of the two earlier events. The initial conference was entitled 'Unions, Break-ups and Special Relationships – Aspects of the Irish-German-UK Relationships' (18th International Conference in Irish-German Studies) and was held at the University of Limerick, 4-5 November 2021. The second conference was held at Ulster University, 3-4 November 2022, and entitled 'New Ways of Engagement and the International Context: Northern Ireland and Ireland'. In this third event, entitled 'Engaging Cross Borders: Perspectives from Ireland and Europe', we will explore in more detail some of the themes and issues considered hitherto. The conference format reflects the experiences of, and participant feedback from, both previous events. As a multi-disciplinary gathering, the conference will focus on the following aspects: Current & Future Challenges Across Borders in Comparative Perspective; Reflections on Key Anniversaries in Cross-Border Relations; The European Union and Cross Border Relations; Crossing Borders – the Role of Languages, Culture and Identity; Trade Across Borders; and Cross-Border Engagements – Imagining the Future.
